

YOUNG MEN'S INTERNATIONAL SEMINAR 2020

WHAT IS IT?

In celebration of our inaugural year, the Camino Institute is offering a discounted International Seminar specifically designed for young men. Camino's mission is to invite clients to Travel with Purpose, Disconnect to Reconnect, Focus on What Matters, and Be of Service. Through individual and group reflection and discussion grounded in the principles of Ignatian Spirituality, this weeklong Seminar will focus on how young men can:

- build habits of discernment
- deepen self-knowledge
- clarify goals and aspirations
- deepen mature relationships
- confront obstacles
- recover from failure
- deepen spirituality
- achieve excellence
- lead balanced lives

These reflective components will complement service to the community. We will spend much of our days working on meaningful service projects to help families in need, both in El Faro and on the north coast. Additional information about the mission, vision, and ethos of the Camino Institute can be found on our website: www.caminoinstitute.com
